

BPAC Meeting Minutes: February 12, 2006

Present: Men's Commissioner: Tom Morrison, Chief Rep/WDB: David Hamilton, SWBAD: Darnell Woods, MAAD: Robert Love, CAAD: Kevin Smith, NEAAD: Matt Klusza, NWADB: Justin Anderson, SEAAD: Tom Mueller and Visitor: Darryl Johnson, SEAAD President

Begin at 6:00 pm - PST

#1- We talked about the \$300 team fee that USADB want to charge each team for the national tournament. Ray informed Tom Morrison that we must write a motion and discuss about this in St Louis's USADB's board meeting on Feb 18th.

Darryl will write a motion for the BPAC's behalf.

#2- Discussed about the \$16 USADSF's membership fees; we want a price breakdown of those fees. David reported that FAAD/WDB would not pay the USADSF's fees this year except for two teams, Arizona Desert Fire and Arizona Black Widows. Larry Fleischer, USADSF's President proposed the idea of \$16's break down to have \$10 to go for membership fee and the \$6 will go to youth basketball camps. But we want that proposal to be in writing.

#3- Discussed about the entertainment of USADB's Tournament, we do not want the basketball games to be modified because of the entertainment's schedule. We expressed that our basketball games are our main attraction and that the live band is only secondary.

#4- Discussed about the women's representatives for BPAC, we agreed that Tom Morrison will be handling this area and that the women's reps need to contact Tom if they have any questions or issues.
