Begin at 5:15 pm - PST

**#1-** We talked about the Western Deaf Basketball, WDB, formerly known as FAAD. David reported that Jimmy Newsome, president of WDB refused to pay USADSF's fees of \$16 per person. Jimmy asked each team to sign a release form not to pay \$16 USADSF fees and \$75 USADB team fees. Arizona Desert Fire (Men's) and Arizona Black Widows (Women's) won't sign the release forms because they want to go to the USADB's tournament in St Louis.

**#2-** Ira mentioned that we, BPAC need to report to each regional officers and let them know about the WDB's situation. Kevin asked us to see if we can ask regional to donate \$200 to Arizona's teams so they can come to St Louis.

**#3-** Ira spoke with Raymond, USADB President, about our concerns. We will discuss more later this week about the WDB's situation.
