

BYLAWS

CHAPTER SEVENTEEN. Hearing Loss Requirements for All Athletes

§ 17.01 CISS Criteria for Pathological Definition of Deafness.

- (1) The Association and all Member Regions shall adhere to the CISS criteria for pathological definition of deafness for each athlete, so that each athlete having a hearing loss of at least 55 decibels in the better ear may therefore be eligible for any USADSF or USADB event or qualifying event.
-- Effective 4/12/2000 --

17.02 USADB National Tournament for Hearing Loss Requirement.

The association and all members regions shall adhere to the CISS criteria for pathological definition of deafness for each athlete with understanding that each athlete shall have at least 55 decibels in at least one ear instead of the better ear.
-- Effective 4/05/2006 --

§ 17.03 Copy of Hearing Test Administered by a Certified Audiologist.

- (1) Each athlete shall provide the Secretary with a copy of his most recent hearing test, performed by a certified audiologist and showing the level of hearing loss in decibels.
-- Effective 4/12/2000 --
