

United States of America Deaf Basketball, Inc

ANNOUNCEMENT

The USADB has received many questions regarding a meeting in Las Vegas on January 17-18, 2009.

This meeting was not called by USADB and is not an emergency meeting of the USADB. We do not know who called this meeting or why or what the agenda will be.

The USADB has not received written notification regarding the meeting and has not been asked to be present at the meeting. Any action taken at this meeting will not be binding to USADB. The official USADB Basketball Council Meeting will be held during the USADB National Tournament April 15-19, 2009 in Anaheim, CA.

We are aware that the annual Vegas Classic Basketball Tournament is in Las Vegas January 17-18, as well as a Deaf Poker Tournament, but USADB has nothing to do with either of these events.

The official USADB National Basketball Tournament is April 15-19, 2009 in Anaheim, CA and we have NO intention of dropping or canceling our tournament or turning it over to the regions to run. We are very capable of continuing to run the USADB National Tournament which our players eagerly look forward to every year.
